Lt. General Vernon Walters
Deputy Director of Central Intelligence
Langley, Virginia 23365

Dear General Walters:

Many thanks for the fine series of briefings and luncheon that I received as a result of your interest and support pending my arrival in Stuttgart to assume my new duties as Major General, USEUCOM. I greatly appreciate your help and the help of all the people in the agency that I received last week.

Again, thank you. Good luck in the Watergate Hearings.

Faithfully,

George S. Patton,
Major General, U.S.A.
